

Shaping youth policy in practice

18–19 April 2024
Faro, Portugal

Professional development program of youth workers

An intensive modular course (5 to 30 ECTS) designed for training, instruction, and qualification; this comprehensive educational package enables both national and international certification and recognition of qualifications according to occupational standards. The course is conceptualized in modules that can be offered as Level 4 micro-qualifications (post-secondary, technical education) and Levels 6-7 (tertiary education, bachelor's and master's degrees).
