# International volunteering

We are sending and hosting organisation for EVS projects.

Every year we send several young abroad for short and longterm projects.

Volunteers we have sent have done different voluntary activities like work in animal shelter, being a DJ i Latvia, making documentary movies in Macedonia and others

# International volunteering

As a hosting organisation we are currently coordinating our 4th EVS project. We have 3 volunteers from Armenia, Slovenia and Ukraine who are/will:

- helping at our office,
- promoting volunteering, EVS and Erasmus Plus Programme at schools in the region,
- running a blog about their project,
- organising cultural evenings,
- doing language workshops,
- working on their own initiatives,
- Running „Youth Information Point“
