

Dear All;

Due to technical procedures of our Procurement Unit we had to cancel the contract with the Hotel that you previously got the details; The Holiday Inn.

I am so sorry for this last minute change.

Hopefully we managed to make a new contract with another hotel which meets all criteria; Point Hotel, Taksim.

The hotel is located just in the middle of Taksim.

**From Ataturk Airport to the hotel:**

1. Take HAVATAS bus from the airport to Taksim. When you get off at Taksim, you are already in front of the hotel. I advice this one.
2. You can also get the metro (first to Yenikapı from the airport, and from Yenikapı to Taksim)
3. You can take a taxi, which may cost 50 to 65 TL depending on the traffic and the path chosen.

**From Sabiha Gokcen Airport:**

1. Take the HAVATAS bus to Taksim direction and get off at Taksim.
