## **The PSS workshops**

The four workshops of PSS focus on four main issues

- Physical well-being (injury prevention, rest, regeneration, burnout, overtraining)
- Mental well-being (sexual harassment, emotional/ psychological abuse, gender based violence, bullying)
- Normative framework (anti-doping, discrimination/ equality)
- Lifestyle (dual career, match fixing)

The objective of the workshops is to produce structure as well as contents for the PSS educational toolkit.
