Qualitative facts	
Description	Swiss Olympics developed seven principles for the code of ethics in Sport Swiss Olympic actively promotes the Olympic values in Switzerland, and is committed to high quality sport. The Code of

	<p>Ethics, supported by all the partners of Swiss sport, is a decisive step towards a sustainable sport.</p> <p>The code of ethics provides recommendations for action to Swiss Olympic and its federations. The seven principles are implemented at strategic and operational levels, e.g. when planning national and international sporting events, in daily activities, in various programmes of Swiss Olympic. The seven principles are a must for the whole sports movement to promote a healthy sport, respectful and fair.</p> <p>Through its code of ethics, Swiss Olympic transfers know-how, raises awareness, commits its partners and improves the management of organized sport. Ethics and sustainability shall be an integral part of the sport.</p> <p>The Advisory Committee on Ethics of the Swiss Olympic Academy ensures the sustainable development of Swiss sport and makes recommendations on the matter.</p>
