### 2.3. Research and Mapping

The local information, mapping, list of rumours and data to counter rumours research that included the whole City of Nurnberg and more specifically the neighbourhood of Langwasser was done by the local network coordinator, Luis Prada, and by an external researcher, Jennifer Le Noble, that was subcontracted and paid for its external expertise 1.000 EUR. The research included personal interviews with over 20 people from the district of Langwasser.
