GOALS, CHALLENGES AND EXPECTATIONS FOR C4I CITIES

16. Which are the main constrains that your city will face up in developing an anti-rumours strategy?

The crisis has increased the negative perceptions about migrants at local level. Some stereotypes are very dug in auctonous population.

To develop this strategy it is necessary to involve many Institutions and Entities.

17. Which are the main challenges that your city will face up in developing an anti-rumours strategy?

- To develop a global local anti-rumour strategy
- To involve many stakeholders in the project. (Institutions, NGOs, groups of migrants, neighbourhood associations)
- To work in different neighbourhoods and different groups of interest (media, young people,...)
- To measure the impact of the local strategy

18. Which are the main strengths in your city to develop an anti-rumours strategy?

- We have developed a local anti-rumour project last year in Rekalde neighbourhood so we have some experience and some knowledge about how to implement it.
- There are many NGOs and Institutions involved in the anti-rumours project.

19. Which are the goals/expectations of your city in participating in the C4i project?

- To promote coexistence in diversity in the city
- To combat stereotypes and prejudices.
- To learn new methods and innovative ways of work in this matter.
- To give the citizenship truthful information about migrants.
- To learn from other cities of the C4I network about how to implement this kind of strategies.
- To share our practices with other cities.
