Background of the Project

The EU-Council of Europe Youth Partnership is a co-operation programme between the European Commission and the Council of Europe in the field of youth, created in 1998. The activities of the EU-Council of Europe Youth Partnership address the needs of young people and the wider youth field, including decision makers, governmental experts, youth researchers, youth practitioners and youth organisations. To maximise its impact, the EU-Council of Europe Youth Partnership produces numerous digital multimedia materials, including the Under 30' podcast series, to support the promotion of various activities, research products and publications on its website and social media channels. The Under 30' podcast series has started in 2020, and it has now more than 40 episodes that bring research results, explore trends in young people's lives and themes relevant for youth policy and practice.

In that context, the EU-Council of Europe Youth Partnership is looking for up to 6 Providers (provided enough tenders meet the criteria indicated below) in order to support the implementation of the project with a particular expertise on podcasts and the youth sector, on an as needed basis.

This Contract is currently estimated to cover up to 20 activities, to be held by 31.12.2023. This estimate is for information only and shall not constitute any sort of contractual commitment on the part of the Council of Europe. The Contract may potentially represent a higher or lower number of activities, depending on the evolving needs of the Organisation.

For information purposes only, the total budget of the EU-Council of Europe Youth Partnership work programme for 2022-2023 amounts to 2.4 million Euros and the total amount of the object of present tender **shall not exceed 55,000 Euros tax exclusive** for the whole duration of the Framework Contract. This information does not constitute any sort of contractual commitment or obligation on the part of the Council of Europe.

Scope of the Framework Contract

This involves, among others, to inform the Council as soon as it becomes aware, during the execution of the Contract, of any initiatives and/or adopted laws and regulations, policies, strategies or action plans or any other development related to the object of the Contract (see more on general obligations of the Provider in Article 3.1.2 of the Legal Conditions in the Act of Engagement).

Unless otherwise agreed with the Council, written documents produced by the Provider shall be in English (see more on requirements for written documents in Articles 3.2.2 and 3.2.3 of the Legal Conditions in the Act of Engagement).]
