

THE SOCIAL INCUBATOR

CULTIVATE POTENTIAL. CHANGING DESTINY.

OUR STORY

We launched “The Social Incubator” Association in April 2014 and we knew, since then, that it would be an important milestone for each of us.

At the very first beginning, we set out to contribute of increasing the chances of social and professional integration of vulnerable young people in our country.

Also, since the first year of activity, we have created the main program of the organization - **Tineri de Viitor/Life Project**

HOW YOU CAN HELP

REDIRECT FOR FREE 20% FROM THE PROFIT TAX

Give them a chance for a better future by directing the tax you pay anyway to the state!

- It is a **FREE service**. The Sponsorship Law (32/1994) and the Fiscal Code (227/2015), allow companies to give to an NGO 20% from the profit tax that has to be paid to the state (the state receives the rest of 80%)
- If you didn't provide sponsorship support from the amount of 20% of the tax in 2022, you now have the possibility to retroactively redirect the remaining amounts by completing **form 177**

Thus, anyone can bring his/her team in any of the sports competitions that support young people to build a better future.
