### Draft Agenda for the first meeting

*31 March p.m. – 1 April all day, Council of Europe Office in Brussels*

#### Context

Following the successful [4<sup>th</sup> European Youth Work Convention](#), a report and a roadmap have been proposed to guide the actions of all youth work stakeholders at European and national levels to take youth work policy and practice forward. To contribute to the follow-up to the Convention's outcomes, the EU-Council of Europe Youth Partnership work plan 2026-2028 foresees a [stronger focus on youth work](#) and several policy, research and practice-oriented actions.

In this context, an EU-Council of Europe's reference group on youth work development will be established, building on the rich experience of the Steering Group on the 4<sup>th</sup> European Youth Work Convention, which was coordinated by the Youth Partnership.

This reference group will serve as a platform for dialogue and regular exchange of information between the European Union and the Council of Europe, and key stakeholders active in youth work development at European level. It is rooted in the shared commitments of the two institutions, as reflected in the European Youth Work Agenda and will build on the roadmap following the 4<sup>th</sup> Convention European Youth Work Convention. The Youth Partnership will work towards synergies and complementarities between the members on the follow-up of the Convention's conclusions and roadmap at European level. Members will share their commitments, initiatives and actions, as well as support communication and the promotion of the Convention's outcomes. The reference group will also contribute to the implementation of the Youth Partnership's youth work activities planned for 2026–2028.
