1. Information services

1.1 Legal framework of the youth information service

There is no youth information structure that would be regulated legally.

1.2 Youth information points at national and regional level

There is no youth information structure. All information about youth and for youth is given on the youth web-sites. The particular sign is that all information is widely spread through different portals. The main portal of all youth information is www.eurodesk.lt (Eurodesk Lietuva). This web-site provides all kind of information for youth.

1.3 Please list the specialized areas covered by youth information in your country (going beyond the general youth information, such as career guidance).

There are 10 Youth work centres in each Lithuania's region. The main target of Youth work centres is the raise of competitiveness of youth. In seeking of it, it is attempted to proceed by: creating the opportunities to learn the labour market; assisting to select the appropriate job or training institution; organising the labour - and social adaptation; providing of open information, consultancy, guidance, psycho-social adaptation, self - instructed services.
