

# SALTO Training and Cooperation Resource Centre

20-22 March 2013, Berlin, Germany

Conference of the European Platform on  
Learning Mobility in the Youth Field

SALTO-YOUTH

# European Training Strategy for YIA

---

Aims to **support** through YOUTH IN ACTION the

- objectives of the EU Youth Strategy - and herewith the larger EU 2020 strategy
- objectives of the EU Resolution on youth work (2010)
- further development of quality and adding a European dimension to youth work and youth care work in Europe

and

- offers the roof for common strategical developments of the key actors of the training system of YOUTH IN ACTION

# European Training Strategy for YIA

---

## 5 pillars

- => NA's Training and Cooperation Plans
- => 8 SALTO-YOUTH RCs
- => Action 4.1/3.1 - Training & Networking
- => COM/CoE Partnership in the youth field
- => NA knowledge management and staff training

## 4 instruments

- ⇒ Training offers and further support measures
- ⇒ National and European Trainerpools
- ⇒ Youthpass for youth worker and trainer
- ⇒ Dissemination tools to allow exploitation

## 6 Fields of Action

- => Set of competences
- => Tailor made trainings
- => Recognition of competences
- => New forms of Learning Mobility

- Reinforce links with
- => Formal Education
- => Research

# Competences & Training

---

Some useful developments by practise and research....

- CoE European Portfolio for youth leaders and youth workers; 2007
- Study on Quality in non-formal education and training in the field of European youth work by H. Otten and H. Fennes; 2008
- Surveys on Competences and the development of competencies in the field of youth work; 2005 by Tallinn University & 2010 by Tartu University (only page 8-10 in English)
- Mapping of competences needed by youth workers to support young people in international learning mobility projects by Maria-Carmen Pantea, 2012

# Competences & Training

---

Some useful developments by practise and research....

- Set of competences for trainers in the youth field by G. Evrad and R. Bergstein, ETS project, 2011-13
- Set of competences for youth worker to work in international teams and to support young people in international learning mobility projects by G. Evrad and R. Bergstein, ETS project 2012-14
- Pilot project “Cross-boarder learning mobility”, JfE project 2012-14
- Outcomes of the European Learning Mobility Platform regarding quality of learning mobility projects (2013-?) ??

# Competences & Training

---

What could be effects of all that on...

- ...Training provider?

Support in development of offers, New funding rules, (External) Accreditation, ...

- ...Participants?

„Rights and duties“, More (quality) offers? Recognition of competences (social, formal, political), ...

- ...Policy makers?

Guarantee the expected happens, Convinced to fight for more resources, ...

# Competences & Training

---

What could be next steps for the „Magic Triangle“ ...

- ...for practise (participants and providers)?

Ready to change views and practise, Swim in front of the wave & experiment and learn, adjust curricula in NFL & FL for „educators “, connect better NFL & FL in training for „educators“, ...

- ...for research?

fill the gaps needed to know, be applicable, link better to develop curricula, link to accreditation (e.g. NQFs, 8 KC, ESCO), ...

- ...for policy?

try to be honest, develop action for different levels and herewith offer a pathway, implement Action Plans guided by EU resolution to develop youth work, ...

---

Thanks a lot for your attention!
