

How to bring together relevant stakeholders for youth education and employment

Proposed structure

Legal framework (youth, employment, job mediaton and education/training)

Policy (youth, employment and education/training)

Government steering committee for youth policies
(need for setting up in each country on government level and setting legal frame)

Subcommitties or
coordinative body for each area of action

Youth advisory boards

Institutions (schools, employment services, trade unions, companies, NGOs...)

Measures

- 1. Development, adoption and implementation of legislations**
- 2. Principle of subsidiarity - starting from grassroots level – employers, employment services, schools, NGOs...**
- 3. Decentralisation – programs, funds...**
- 4. Coordinating bodies on local level**
- 5. Funding for mutual activities, projects, programs and networking**
- 6. Establishing SEE regional youth forum**
- 7. Establishing co-management structure for SEE**
