Aims of the training course

The course aims at supporting and to promoting the development of human rights education and intercultural dialogue with young people in the broader Euro-Mediterranean co-operation framework.

Objectives of the course

- To explore the situation and conditions for human rights education in the broader Euro-Mediterranean framework with a specific focus on South Eastern Europe;
- To motivate participants to act as multipliers in human rights education and intercultural dialogue projects;
- To develop participants competences (knowledge, skills, attitudes, values) in working with and training about human rights education and intercultural dialogue;
- To provide a deeper knowledge of the institutions involved and the cooperation opportunities offered by their programmes;
- To experience educational tools for human rights education and intercultural dialogue;
- To support participants in developing and planning follow-up multiplying activities.
