UNIVERSITY OF GLOBAL DEVELOPMENT

Participation

Knowledge about Youth

Mainstreaming Inter-sectionality

Role in the International Cooperation

Main Goals:

Create a political space where youth can act upon and acknowledge the role they play in Global Development.

Facilitate a process aimed at defining and implementing projects within the field of youth.

Generate a permanent process to discuss, train and be trained around the main issues in the global agenda.

The University acts as a space and a home for Global Youth Work and for the Global Youth Movement.
