Why are we here?

Recall - Exchange – Inform – Confront – See things from another perspective - Discuss – Envision – Propose

Different realities – different views... and words to talk about that.

Community, local, regional, national, supranational...
Great insights! But “trop is te veel”

“How do you do it?” – part one

*“not so many differences, after all” –
“I never thought about it” –
“great inspiration”...
but
“does this really apply to us?”*

It's amazing what a table can generate!

“How do you do it?” – part two

NDI – Field visit

And it is - still - the beginning...
