Taking part in WHAT?

Who am I?

Dan Moxon

(does a lot of youth participation, not really an activist, probably part of the system)

Who would win?

80 Million 18-24 year olds who don't vote

200,000 youth workers running citizenship programmes

Take political participation to the next level

Thinking about political participation projects and policies

Thinking about what do participation projects and policies enable young people to influence

Thinking about which groups of young people gain influence, and which are excluded

Thinking about

Influence, inclusion

AND
Reaching the entire youth population, to reinvigorate democracy
