

From online activism to digitalisation

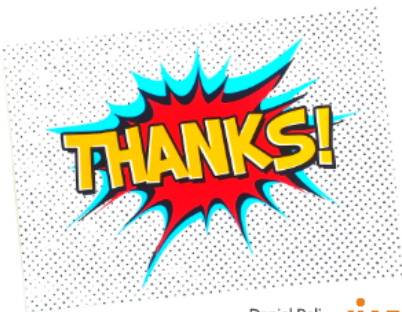

activism!

CONCLUSION

- Digital activism of young people is important for strengthening democracy, especially due to demographic shifts
- Digital activism can be seen as a form of innovative participation of young people
- Digital participation requires that young people have access to digital tools and processes for young people and build bridges between civic participation and active young people

activism !

intransitive (indirect) participation

Influencing the public
on specific political
issues / positions

transitive (direct) participation

connection to political
decision-making
processes with direct
influence

intransitive (indirect) participation

Influencing the public
on specific political
issues / positions

transitive (direct) participation

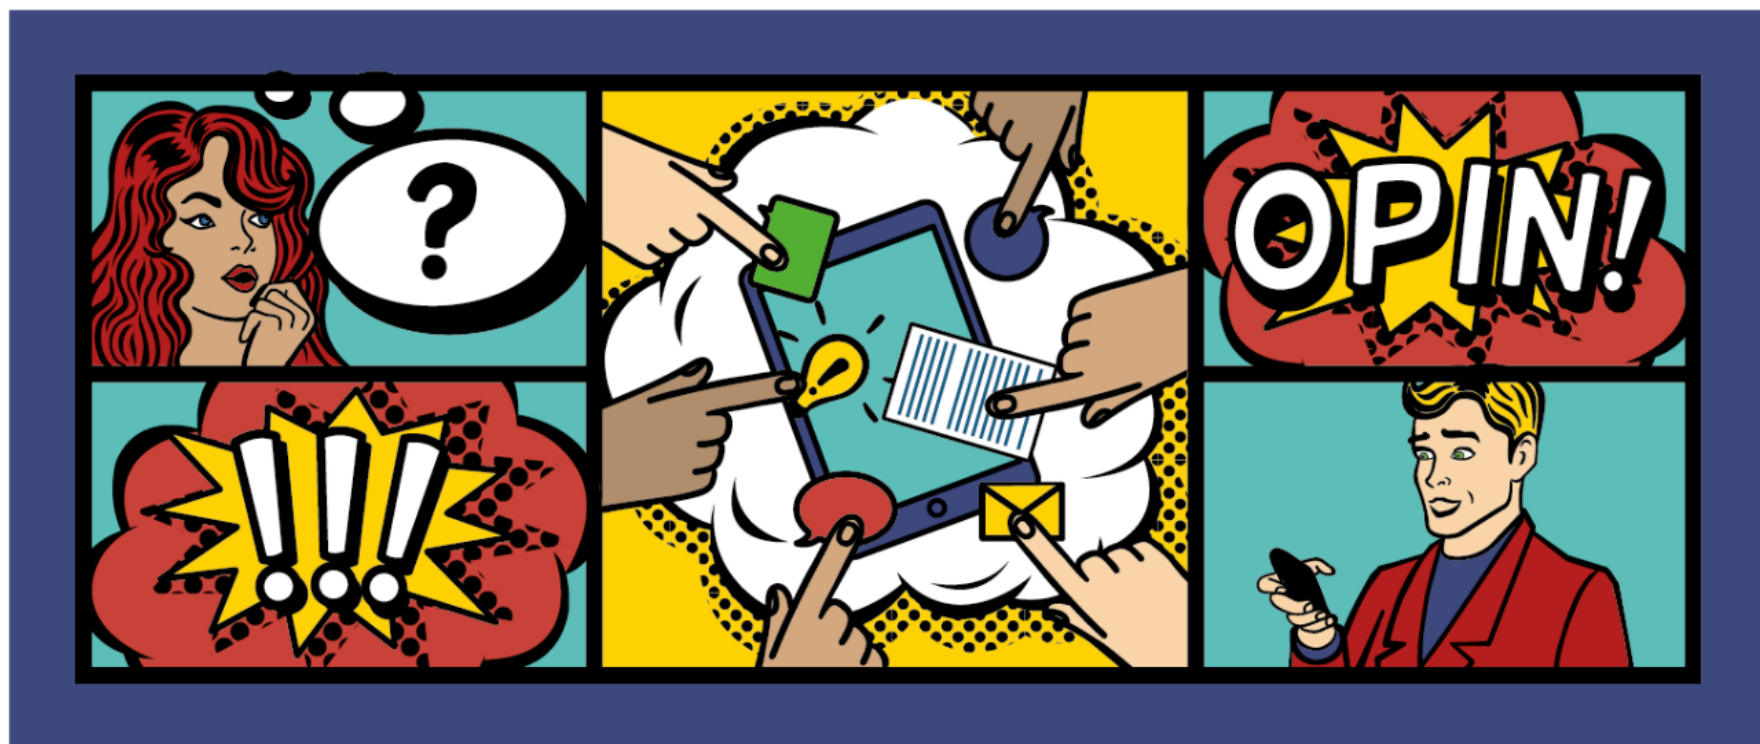

connection to political
decision-making
processes with direct
influence

transitive (e)participation

- 
- structural connection to political decision-making processes
 - consideration of administrative processes
 - often initiated by decision makers

EUth - TOOLS AND TIPS FOR MOBILE AND DIGITAL YOUTH PARTICIPATION IN AND ACROSS EUROPE

Idea Challenge

Run a challenge and find the best ideas to solve a particular problem.

Phase 1: Add new ideas and comment them.

Phase 2: Get quantitative feedback by rating the collected ideas.

[USE THIS TEMPLATE](#)

Spatial Idea Challenge

Run a challenge concerning a certain area or space in your community and find the best ideas to solve a particular problem.

Phase 1: Add and comment new ideas on a map.

Phase 2: Get quantitative feedback by rating the collected ideas on a map.

[USE THIS TEMPLATE](#)

Agenda Setting

You can involve everyone in planning a meeting. Collect ideas for an upcoming event and let your participants vote on the topics you want to tackle.

Phase 1: Add new ideas and comment them.

Phase 2: Get quantitative feedback by rating the collected ideas.
