(Respondent N=2001), %

***According to the results of the national survey "Youth of Ukraine-2018"***

# Youth participation projects

## Budget of participation

It provides an opportunity to participate in the distribution of local budget funds by creating and / or voting for projects to improve the city

program is being implemented by UNICEF in Ukraine together with the Government of Ukraine and partners. Program sets out local government tasks to implement international standards in the field of children's and youth rights

**Community friendly to children and young people**

## U-Report

U-Report Project (UNICEF) aims to explore the views of young people. Ukraine is the first among the countries of Eastern and Central Europe to join the Project, the number of U-reporters has already exceeded 65,000 people

Youth internship in public authorities where young people acquire public administration skills. As a result of a two-stage selection, 96 young people from 18 regions of Ukraine were selected for internships at the Administration of the President of Ukraine, the Secretariat of the Cabinet of Ministers of Ukraine, and ministries

**The State Maker**

## Youth capital of Ukraine

Project is being implemented jointly with the Ukrainian Institute of International Policy and the National Youth Council. It is intended to encourage cities and communities to be more proactive in youth policy and democracy processes. The winner of 2018 was the city of Lviv
