Joint Fund for development of the Youth Centers and strengthening participation and civic engagement of young people in the Republic of Moldova, of the Ministry of Education, Culture and Research, Swiss Cooperation Office in Moldova and the United Nations Population Fund

## **Purpose**

Strengthened participation and civic engagement of young people through Youth Centers, which will create opportunities for personal development, participation, information and networking for young people and will help create synergies and partnerships between Youth Centers, schools and other key local stakeholders.

# Level of Interventions

**22 Youth Centers &  
more than 20 branches in rural area**

## **Main activity directions of the Youth Centers:**

- Youth participation
- Youth information
- Voluntary work
- Outreach/mobile YW
- Support for youth creativity and future skills
- Leisure time activities

# Priority #1: Local youth policies

- Support program for LPA (level II) in strengthening the budget planning capabilities on the youth component based on the RBM concept.
- The report on the analysis of the local youth budgets for the year 2018 in the process of elaboration and is to be presented within 6 regional events (the report will present the comparative perspective of the youth budgets of the last years);

# Priority #2: Institutional capacities

- Piloting of the Statistical Reporting Form for Youth Centers, aims to collect and analyze data on the programmatic activity of the Youth Centers, as well as the number, the typology of the beneficiaries of these institutions.
- Assessment of accessibility of Youth Centers. 22 Youth Centers were evaluated from the perspective of the degree of correspondence with the physical accessibility requirements, according to the national regulations in force and ISO standards.
